Your choices

Read this, then tick what you agree to. You can say no to any of them.

☐ You may use my answers in anonymous numbers (counts and middle values).

☐ You may quote one sentence of my text, without details that identify anyone.

If you tick none, we will not use your report. This sheet stays with the report. It has no name.

R-_____ **Your code**

Keep this code. If you ever want to take your report back, tell us the code. Nothing here changes the help you receive.

✂ CUT HERE · the part below is kept apart from the report, with no code

☐ You may contact me later (optional).

Best way to reach me (phone, WhatsApp or email):

We keep this in a separate envelope. It is never stored with your answers.

Volunteer: cut along the line. Put the top in the reports box and the bottom in the contact envelope. Never write the report code on the bottom. No photos.
